Our Mission

The mission of Hillcrest Continuation High School is to ensure that all students develop an appreciation and respect for individual differences, unique cultural heritage and academic achievement within a safe, clean, and secure environment which fosters a rigorous, challenging, and diverse curriculum that promotes self-esteem, racial harmony, and supportive parental involvement.

What Students Say

“Hillcrest is a good school because you can learn, make up credits, and get extra credits if need be. The teachers are willing to work with you and offer hands-on assistance. Hillcrest has a good work environment where you pick up good study habits. Also, I love the Real Estate Apprenticeship Program because that’s what I want to do. I will be back in the fall!”

–Kevin Gilliam

“It attended several high schools before Hillcrest. I came because I was distracted at my regular schools. Here I’m more focused. I plan to graduate and become a business professional, and I am already taking classes at Santa Monica College.”

–Tiffanie Thongmee

Always remember to...

Begin with the end in mind.

NOW LOCATED AT HILLCREST HIGH SCHOOL:

Opportunity Program Grades 6-8

“You don’t get a second chance to make a first impression,” goes the old saying. In the Opportunity Program, however, students get just that—a second chance. Through individual attention, support, and encouragement from teachers and teacher assistants, students make up credits or improve their school conduct. During their stay, students earn points for hard work and responsible behavior. After earning enough points, they graduate from the Opportunity Program, taking the skills they learn back for a fresh new start at their home schools.

Program Features

- Character Counts education program
- Dual Diagnostic Program: referrals to support programs such as counseling and healthcare
- Individualized assignments and instruction
- Before-school program: tutoring in mathematics and English/language arts
- After-school program: tutoring in mathematics and English/language arts, and the Inglewood Police Activities League athletic program
- Career education
- “Dress for Success” Fridays
- Student uniforms based on middle schools
- Field trips
- Mentoring program
- Parents: conferences, meetings, and parent-organized activities
- E-Parent: free email account and Internet training for parents

Welcome to Hillcrest’s Academy Program—a brand-new approach to continuation school voted on by parents, students, and teachers. While satisfying academic requirements, our students learn and experience their choice of careers thanks to the help of our many partners. At Hillcrest, we value student choice, and we know our students will be successful in school and in life!
